Message from the Artistic Director

At Hamilton Conservatory for the Arts, our students are front and centre in all that we do. Summer is an extraordinary time for young people to explore their passions, master new skills and express themselves creatively.

Led by professional artists with extensive teaching experience, we are proud to offer innovative programming that provides a safe and fun environment in which students can explore Music, Dance, Visual Arts, and Theatre. We invite you to join us this summer and discover the wonder and excitement of the arts at HCA!

Kinder Arts Exploration (Entering JK/SK*)

Dramatize stories, create artworks and respond to music through movement and song. It's a week that's jam-packed with creativity and non-stop fun! *Child must be 4 by the camp start date.

Children's Arts Exploration (Entering Gr. 1-6)

Exercise your imagination through the arts! With a new theme each session, campers will explore creative ideas through movement, drama, visual arts, music, and dance. Make lasting friendships and build self-confidence in this fun-filled week!

Triple Threat (Entering Gr. 1-7)

Children receive the enriching and inviting experience of learning how to sing, act and dance! With a new theme each session, the program allows children to find new passions, new friends, and new skills with their dedicated teaching team.

Gotta Dance! (Entering Gr. 1-3)

Campers will spend a week exploring various forms of dance and creative movement with the support of skilled dance instructors. Improve confidence, coordination and make new friends along the journey. *No experience necessary.*

Dance Intensive (Entering Gr. 4-8)

Spend a focused week exploring dance and dance technique in an immersive and enriching way! This camp provides an opportunity to learn and excel, improve overall skill, and learn from highly qualified and skilled dance instructors. **Prerequisite: students must be enrolled in dance a minimum of two years in a technique class of ballet, jazz or modern.*

AFTER FIVE

For students interested in taking classes during the summer, we offer a special program on Tuesday afternoons and evenings throughout the summer.
