# workshop invitation

Great Big Theatre Company would like to invite up to 25 students from the grades 3 - 6 level classes at Sir William Osler School in Dundas to attend a drama workshop which will be held at the Dundas Community Centre, on Friday, May 26, 1:30-3:00pm.

This will be held in conjunction with our recognition event for our Ontario Trillium Foundation Funding Grant. Our local MPP, Sandy Shaw will be present. Attendance is limited; please reply to us as soon as possible to confirm.

The workshop will be led by two of our GBTC drama coaches, and refreshments will be provided. A teacher and/ or parent supervisor must be present during the workshop. There is no charge for attendance.

Please let us know if your students would like to participate in our workshop.  
Thank you
