RE : Summer camps in French

Summer is just around the corner, and we are thrilled to be able to offer summer camps to French-speaking children in Hamilton (100 Macklin St. North), Burlington (1226 Lockhart), and Milton (500 Cedar Hedge) this year.

The camps feature interactive activities *en français* for all tastes: field trips, team sports, games, art workshops, as well as visits from special guests. Some of the themes include Around the World, Health and Wellbeing, Science and Technology and much more!

Camps run for seven weeks, from July 4th to August 18th, from 7:30 am to 5:30 pm and you can sign up for any number of weeks or for the full summer. Camps are for children aged 4 to 11, separated in 2 age groups. We welcome volunteers aged 12 to 15 and hire camp leaders between 15 and 30 years of age. Children need to be able to speak at a grade 3 level of French minimum.

Space is limited, so please reserve your spot as soon as possible.
