

SUMMER PROGRAMS

HWDSB | CDL

Centre for Diverse Learners

READING ROCKS & MASTERING MATHEMATICS

LIMITED FREE SPOTS FOR HWDSB STUDENTS!

LOCATION: ONLINE | IN-PERSON (WESTDALE HS)

DATES: JULY 10-28TH, DAILY FOR 1-HOUR A DAY

READING ROCKS:

Reading Rocks is a literacy intervention program for children in grades 1-6 with reading difficulties. Our trained educators will select and implement appropriate activities and games that build each child's skills in phonics/phonemic awareness, and fluency.

Each child will complete a pre-assessment (approximately 30 minutes) and be placed into a small group (max 4:1) that meets their individual needs.

MASTERING MATHEMATICS:

Mastering Mathematics is a numeracy program, designed to help children in grades 1-10 gain confidence and shift their mindset towards mathematics so that they can achieve academic success.

As part of the intake process, students will complete an assessment with a staff member, and be placed in groups, with similar needs, that span a maximum of two grade levels (e.g., grades 1-2, 2-3, etc.). Tutors will work with children in small groups (3-4:1)

REGISTER HERE:

[DIVERSELEARNERS.CA/SUMMER-WAITLISTS](https://diverselearners.ca/summer-waitlists)

PLEASE NOTE:

*If you are not offered a spot in the summer program, your child's name will automatically be added to our waitlist for the upcoming FALL session. Your child **MUST** attend a virtual pre-assessment to allow grouping and placement in these programs.*
