

A.C.C.A Steelcity Dojo Creative Coders Program

This Program will introduce youth (7-14) to block based coding through weekly workshops using Scratch and ScratchJr. For more information on these platforms visit (<https://scratch.org>). We also will be using Micro:Bit hardware to introduce digital making and hands on learning experiences. Our workshops will be culturally relevant and focused on sparking creativity in our youth.

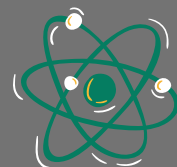

*P.S. You may bring your own device or we will provide one.

***ATTENTION !!! NEW HARDWARE COMING SOON !!!**

MICRO:BIT = The BBC micro:bit is an award-winning programmable device that allows youth to get hands-on with coding and digital making.

When: Jan 15 – Mar 5, 2025 Wednesday's 5:00–6:30 PM
