

ELEVATE: A DAY FOR INCLUSION IN SCIENCE

Elevate is a **free** all day event offered to Grade 10 students, with a particular invitation to students who identify with traditionally equity-seeking groups in STEM (e.g. Black, Indigenous, racialized, 2SLGBTQI+, those with disabilities, women)

Activities:

- Make your own microscope
- Hands-on science
- Planetarium show
- Inspiring keynote speaker
- "Ask an Undergraduate" panel
- Light breakfast and lunch included

MAY 24, 2024
