## Activities at Bluewater Outdoor Education Centre

The Bluewater Outdoor Education Centre is a non-profit foundation with more than fifty years of experience. It offers students a full roster of high quality, curriculum-driven, outdoor education. Visitors learn to value their connection to nature, and grow to make wise decisions for our planet. They will have opportunities to try:

Astronomy

The Survival Game

Cooperative Games

Orienteering

And more!

Music programming is by Oregano Percussion, a duo consisting of Michelle Colton and Alejandro Céspedes. The duo combines styles from Latin and Caribbean to pop and percussion chamber music. Oregano Percussion has been guest artist in the U.S., Canada, and Cuba at events such as MusicFest Canada, Birch Creek Percussion and Steel Pan Academy, and Prairie Music Residency.

As music directors of the Bluewater Percussion Camp, Michelle Colton and Alejandro Céspedes are excited to share their knowledge and perform alongside the students. Through classes, ensemble rehearsals, and performances, the students will work directly with professionals and other students, gaining confidence as well-rounded musicians.
