

Join us this Fall!

Our exciting house league volleyball program is perfect for young athletes looking to learn and have fun through independent and team-building activities!

Each weekly session will consist of a short warm-up, a skills component, and game play. Athletes will focus on serving, passing, hitting, and player positioning.

Enrollment is limited to 24 athletes per session. Sign up early to avoid disappointment!

Supervision and instruction is provided by Vince Simpson, Matt Martyres, and Brandon Seichter.
