Serving with Trust

Compassion:

Leading with peace, friendship and love creates space for compassionate accountability, where we are responsible to one another in creating a culture of care.

Dignity:

Reciprocity, anti-racism and anti-oppression lead to a just and equitable learning community, where every person is included, respected and valued.

Trust:

Humility and transparency build the trusted relationships, connections and education system necessary for growth, change and evolution.

Joy:

Curiosity, play and fun are catalysts for meaningful student learning outcomes and support joyful and enriching experiences.
