3.2	Teacher Update	Roland	Track and field went well, kids all got a ribbon for participating, medals for kids who would have went to the meet. Cohorts helped to keep kids engaged and cheer on their peers. Basketball nets now have mesh, thanks for the anonymous donation Question-Karen-Holiday season, what will it look like this year? Suzana will discuss with staff and plan something for spirit days
3.3	Fundraising/Events	Sabrina/Rebecca	Funscrip, have to run first one as a paper fundraiser, online could be follow up -might be too rushed for Christmas-paused Indigo does a shopping day for Yorkview school, get a percentage (15% in cheque, 20% in Indigo GC) back to the school, can run as many times through the year. This Thursday in Ancaster store only, voted on 20% in Indigo GC, teachers also get a discount to shop there. Holiday auction, don't want to overwhelm community maybe consider doing it in February Poinsettias, Terra Nursery Waterdown, they will provide a range to suggest what we charge the community for fundraising, and council can decide pricing. Need to decide on what delivery day -suggested Dec 10 (or beforehand) \$25 delivery fee from Terra to the school. Council can help with pick-up from school since it is outdoors. Committee to narrow down options and pricing
3.4	Treasurer	Majdi	Nothing to report, no changes
3.5	Environmental Stewardship	Steve	Follow up on any interest in virtual workshops through Green Venture Green Venture doing audit of rain gardens and looking for feedback from staff that were part of the depave. Need to come up with a garden plan. Suzana-couple teachers are interested in the workshops
3.6	Communications/Advocacy	Karen	Post things spaced out to keep interest on Facebook page, met some parents who were not aware of the page, so spread the word. Will post photo day reminder and Indigo this week. Post on Monday regarding progress reports reminder to check backpacks. Post on electronic board "check out Yorkview School on Facebook"
