Dear Families,

This is a letter to let you know about some changes to our school's administration. February 3rd will be my last day here at Yorkview as I head back into retirement. I have thoroughly enjoyed serving this wonderful community once again. Getting to know and work with the staff, students and caregivers here has been most rewarding. I will miss you all.

On February 6th we will be welcoming Mr. Greg Moore as Yorkview's Temporary Principal. Mr. Moore is a recently retired principal and comes with a wealth of knowledge and experience. Please join me in making him feel welcome.

Thank you for being such a welcoming school community. If you have any questions, please contact the school at 905-628-8212.

Sincerely,

A handwritten signature in purple ink that reads "K. Charles".

Kelly Charles
Temporary Principal
