Dear Yorkview Families,

On **June 9, 2023**, the city of Hamilton will be hosting a professional development day for staff of child care programs from birth to 12 years of age.

This full day of learning is part of a workforce strategy related to the attraction and retention of employees in this sector.

As a result, all full day programs for children from birth to 3.8 years of age and all before and after-school programs for children in kindergarten to grade six will be **closed** for the day.

Kind regards,
