## PARKING

A reminder that our school parking lot is for staff only to ensure safety for everyone. Street parking is available at the front and side of our building, please note that this can get very busy at drop off and pick up and we encourage all those students who are able to walk, bike/scooter etc. to do so. ## EARLY PICK UP

If you need to pick up your child from school early, we remind you to please allow some extra time for your child to arrive at the office. Students will be called down once you are here and it can take a few minutes for your child(ren) to gather their things and get to the office area. Please let your child(ren)s classroom teacher or the office know if you will be picking up early and the time so they can ensure that your child is ready.

## CELLPHONES/ ELECTRONIC DEVICES

One area of particular concern that we have been experiencing is the growing use of cell phones/electronic devices and smartwatches during instructional time in the classroom setting. Our goal is and has always been to maximize the learning time for our students and ensure a positive learning environment. Devices have many positive uses. However, in the classroom setting they are an enormous distraction to learning. There is research studies that cite the negative effects of cell phone use on students, particularly the overuse of social media. We have found that cell phones not only distract students from learning, but also facilitate negative behavior such as:

- Cyberbullying
- Harassment
- Taking photos or videos of students and staff without their permission
- Accessing unapproved websites
- Arranging meetings with friends in the restrooms during class time

My sincere hope is that you have a conversation with your child(ren) about the acceptable time and use of their cell phones and other devices during the school day. Prior to entering school, students should have their cell phones on silent and stored in the safe space provided in the classroom. Students who disregard this policy may be subject to disciplinary consequences including confiscation of devices or a phone call to parents.

Please note that if you need to contact your child during the school day, our Office Administrator is available to take your call and pass on the message to your child(ren).

Thank you for your continued support as we work to reduce classroom distractions and provide our students with the best learning environment possible.

## WEBSITE

Please check our school website for updates and important dates. Please ensure that you subscribe to our school website. Informed parents make great partners.

## RIGHT TO DISCONNECT

Healthy work-life boundaries, including the ability for all employees to disconnect from work after hours, is an important part of maintaining one's health and well-being. HWDSB has implemented a Right to Disconnect Procedure to support educators, administrators and other HWDSB staff. While all urgent communication will continue to be shared after hours, please note that families communicating with educators and administrators may receive a delay in response to all non-emergency inquiries received after hours.

## ADDRESSING A CONCERN

Students and families with classroom concerns are encouraged to contact their student's classroom teacher. School-wide concerns can be addressed by the principal. Please feel free to reach out when needed.

We know the return to school can be stressful but we are here to support every student's back-to-school experience. Thank you for your support and we look forward to seeing all our Yorkview students on Wednesday, September 6th and our Kindergarten students on Thursday, September 7th to welcome them into our safe and comfy school.
